1.7 Lead in Facilities

Policy Statement
There is no formal policy statement for this topic however procedures and other information are provided below.

When “Dealing With Lead-Based Paint” UGA units must follow all federal and state regulations. This Guidance Document, http://www.usg.edu/ehs/guidelines/lead_paint.phtml, produced by the Board of Regents Office of Environmental Affairs for all University System of Georgia Facilities provides basic information for maintaining compliance. Additional links provided below will help with your compliance.

Reason for policy
To help UGA units comply with all federal and state regulations for Lead based paint removal and/or demolition.

Procedures
Personnel at UGA involved in construction or demolition related activities must follow all federal and state regulations. The Guidance Document provided by the Board of Regents Office of Environmental Affairs for University System of Georgia Facilities should be utilized. Provided below is the EPD website for any forms related to lead abatement.
