9. Rehired Retirees Policy

Policy Statement
An individual who has retired from the University of Georgia may, under certain conditions, be eligible to be rehired by the University.

Reason for policy
The University of Georgia is required to comply with the Board of Regents (BOR) policy regarding the rehire of former employees who have retired (BOR Policy 8.2.8.3).

Procedures

Review procedures regarding hiring University System of Georgia Retirees.

Payment of rehired retirees
Requests cannot cross fiscal years. A retiree’s annual work commitment for the fiscal year must always be less than 49% time and compensation for the fiscal year must always be less than 49% of the authorized salary rate for the position held.

The payment type should be selected as follows:

- **UGA/USG Retirees Rehired in a Faculty Position:** UGA faculty can only be paid on the monthly or academic payroll. The retiree’s normal monthly contracted compensation must be less than 49% of the authorized salary for the position held.
- **UGA/USG Retirees Rehired in a Staff Position:** UGA staff will be paid on the hourly bi-weekly, salaried bi-weekly, or monthly payroll as appropriate for the position held.
  - Hourly Bi-Weekly or Salaried Bi-Weekly Payroll: UGA will follow the TRS published schedule (http://www.trsga.com/documents/FY2014MaxHrs.pdf) of the maximum hours that a retiree can work during each month of the fiscal year. This calculation is based on the total business days for each month, less the generally observed holidays.
  - Monthly Payroll: The retiree’s normal monthly contracted compensation must be less than forty-nine percent (49%) of the authorized salary for the position held.
