Policy Statement

Pursuant to the policies of the University System of Georgia, The University of Georgia shall prepare an operating budget for educational and general activities and an operating budget for auxiliary enterprises for the institution for each fiscal year within the limit of funds allocated plus estimated internal income of the institution.

Reason for policy

The University of Georgia budget is designed as a comprehensive fiscal plan for implementing its mission as a land-grant and sea-grant University with statewide commitments and responsibilities, as the State's oldest, most comprehensive, and most diversified institution of higher education. Our motto, "to teach, to serve, and to inquire into the nature of things," reflects the University's integral and unique role in the conservation and enhancement of the state's and Nation's intellectual, cultural, and environmental heritage. The implied values of the budget as a comprehensive fiscal plan for the institution include accountability, efficiency and efficacy.

Procedures

Housing Fees are defined as fees paid by students who elect to live in institutional residential facilities. All housing fees, except for housing fees that are proposed to support debt service and operating costs on new housing projects funded with private funds, shall be approved by the institution president in April of each year.

Food Service Fees are defined as fees paid by students who elect to choose an institutional food service plan. All elective food service fees and those required for residential students shall be approved by the institution president in April of each year.
