

1.9 Septic System

Policy Statement

There is no formal policy statement for this topic however procedures and other information are provided below.

Reason for policy

The UGA Environmental Health Coordinator and the Athens-Clarke county Environmental Health Department work together to enforce the rules and regulations governing on-site sewage management systems that are independent of public or community sewage treatment systems.

Additional contacts

For additional information, contact UGA's Environmental Health Coordinator at (706) 542-5801.
